

Captiva

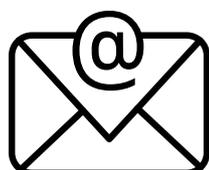

Erosion Prevention District

VOL.30
APRIL 13, 2022

Dear Captiva Residents and Business owners,

Per the CEPD board meeting on April 11th, Ropes and poles placements are being evaluated. The purpose is to protect the dune plantings that were part our of beach erosion project in 2021. The CEPD commissioners have assigned each other the different areas of the island to receive public input. Please reach out to these specific commissioners for your area should you have any comments, concerns, or feedback and carbon copy our Executive Director, Jennifer Nelson, so that staff may compile all your feedback.
