CELEBRATING THE LIFE OF HARRY KAISER

With a heavy heart, we celebrate the life of a great man who served to protect Captiva for many years. Harry Kaiser was a Captiva resident for more than 20 years. He had a long career in publishing for Skiing magazine. He was a lifelong skier and a member of the Ski Hall of Fame. In addition to his dedication to the sport of skiing, he was also deeply committed to surf, sand, beaches, water quality and the environment. Since 1985, Harry was a board member at the Atlantic Beach Club, Inc. in New York. In 2007, he spearheaded the purchase of 14 ocean front acres to preserve the beach at the Atlantic Beach Club. His passion for the beach continued when he joined CEPD as Secretary. We are grateful for the time we spent with him and all the monumental progress we made having him as part of our CEPD team. Our prayers are with his family as they navigate this difficult time.
