Beach Briefs - March 6, 2019

THANK YOU

Dear Constituents and Stakeholders:

Yesterday, March 5, 2019, Captiva voters delivered great news for Captiva when they overwhelmingly supported the planned Beach Nourishment Project. A record 86% voted in favor of the bond issue authorizing CEPD to borrow a maximum of \$18 million dollars towards Captiva's cost share of the planned 2020/2021 \$30 million project.

The Board of Commissioners and staff of the district want to take the opportunity to thank the Captiva voters for their overwhelming support of their CEPD and the authorization to proceed with the project.

Thanks,

Michael C. Mullins
