Hurricane Helene Post-Storm Meeting

Chairman Wade has called for an emergency meeting of the board to be held on September 30th, 2024, at 5:00 p.m. This meeting will be held virtually. The agenda and meeting link can be found here: <https://www.mycepd.com/2024-09-30-special-hurricane-helene-post-storm-emergency-meeting>

The damage caused by the storm surge of Hurricane Helene is tremendous. Captiva saw significant erosion to its beaches and dune system. In response to the storm, CEPD has enacted the emergency response plan, and is in the process of evaluating the damage sustained and formulating a plan for recovery.
